Accreditation has been requested for quality register KNGF and st. ADAP (occupational and exercise therapists).

The online LSVT BIG course already has 9 points accreditation.

What Will I Learn?

The LSVT BIG Virtual Online Training and Certification Course is a mix of online, pre-recorded learning and virtual live interactive learning designed to train physiotherapy and occupational therapy professionals and students in an evidence-based, intensive, treatment program for individuals with Parkinson's disease. The fundamental treatment principles and rationale, key treatment elements, efficacy data supporting treatment outcomes, details of treatment tasks, and practical delivery will be covered. Teaching techniques include both live and pre-recorded lecture, live and video demonstrations, live instructor led exercise practice, live Q & A, and case study presentations. Discussion will be included on application to other neural disorders and personalization of the treatment to meet the unique functional goals of each patient.

What Comes with LSVT BIG Training and Certification?

- LSVT BIG Training and Certification Course with printed and downloadable materials
- Official LSVT BIG Certification upon completion of course and passing exam
- LSVT BIG Homework Helper Video
- Downloadable LSVT BIG Resources (treatment forms, marketing resources, videos and more)
- Listing on the LSVT Global Certified Clinician Database for referrals
- Invitation to the exclusive LSVT BIG Clinician Facebook group
- Online support from LSVT BIG experts for clinical questions
- FREE monthly webinars on advanced LSVT BIG topics plus access to 40+ on-demand webinars

How do I Become LSVT BIG Certified?

- Register for a Virtual Live LSVT BIG Training and Certification Course.
- Read and accept the LSVT Clinician Practice Agreement, sent via email link upon registration.
- Complete the entire Virtual Live LSVT BIG Training and Certification Course.
- Complete Certification Exam with an 85% score required to pass. The exam will be administered online after all learning modules have been completed. If a participant does not pass the examination, there will be an opportunity for participants to re-take the exam online, at no additional cost.

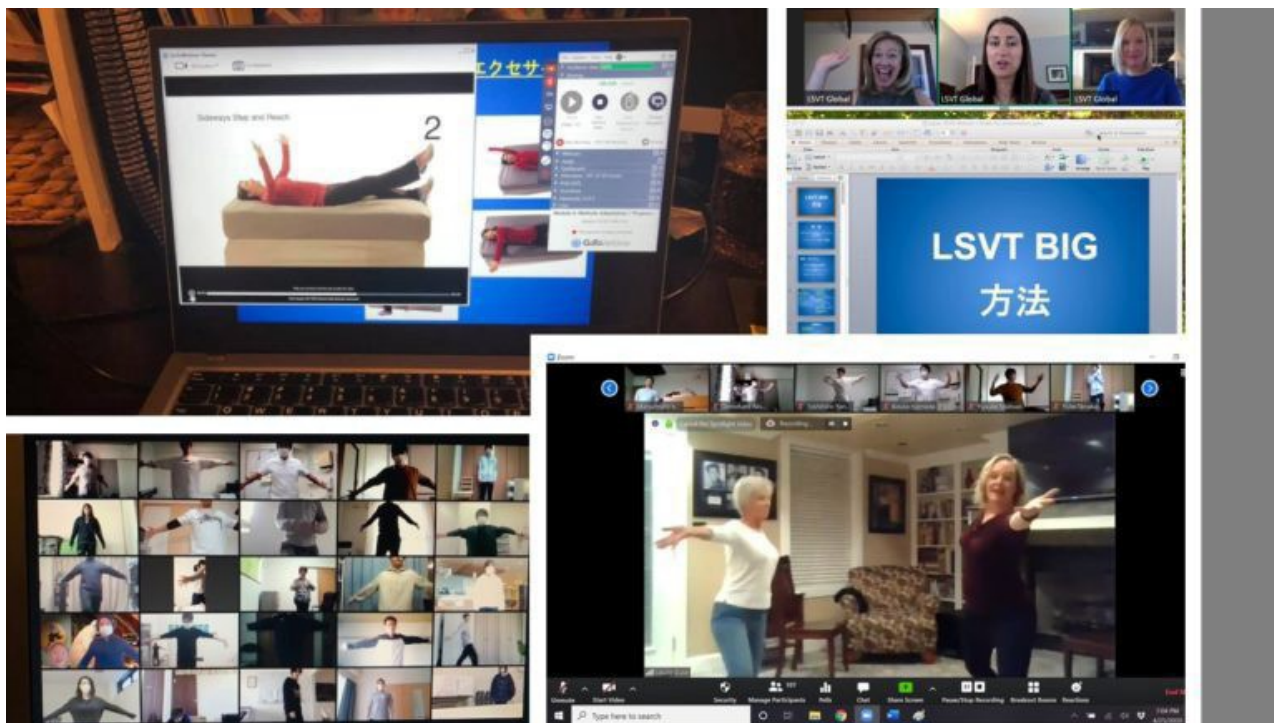

How Much Does Training and Certification Cost?

Please note:

- Student rates are only available for those actively enrolled in professional physiotherapy or occupational therapy programs. International student requirements may vary; contact info@lsvtglobal.com.
- Group discounts are available for 5+ participants registering together, contact info@lsvtglobal.com.

Photos from the Inaugural LSVT BIG Virtual Live Course in Japan!

"This course went above and beyond my expectations. It was truly valuable for us to be able to interact and implement the LSVT BIG exercises with actual volunteers with Parkinson's disease. The feedback from the patients and instructors made this virtual live course just as effective as if the course was held live in-person."

- Virtual Live LSVT BIG Participant

LSVT Global Virtual Live LSVT BIG Training and Certification Course

In the face of COVID-19, our ability to provide in-person courses has been limited. For years we have been offering an Online LSVT BIG Training and Certification course that continues to be enjoyed by many, but we recognize that some individuals prefer the live interaction and feedback that is a part of in-person courses. To bridge the gap for those learners, we are launching our Virtual Live LSVT BIG Training and Certification Course!

This innovation allows us to provide alternative methods for all learning styles. Content, quality, and certification are equivalent across all course styles.

Why a Virtual Live Event?

A virtual live event allows us to provide the face-to-face interactivity participants expect from an in-person course, but from the comfort and safety of their own homes or offices.

Is it the same as the Online LSVT BIG Training and Certification Course?

No. The Virtual Live event combines pre-recorded components of our online course with some of the content presented live (online) by LSVT BIG instructors. The 9+ hours of virtual live learning allows participants to interact with faculty, each other and even volunteers with Parkinson's disease.

"In the global turmoil caused by the new coronavirus, I was very grateful to have received such a high-quality course. Thank you very much."

-Participant in LSVT BIG Virtual Live Course, Tokyo, Japan

Continuing Education

The Virtual Live LSVT BIG Training and Certification Course qualifies for a minimum of 13.25 continuing education hours (1.325 CEUs) for PTs, PTAs, OTs and OTAs. This course content is not intended for use by any participants outside the scope of their license or regulation. The live and online formats of this course have been pre-approved by multiple state APTA chapters, PT associations or boards. The Virtual Live course format has been submitted for approval in states where pre-approval is required. Please contact your state physiotherapy therapy board or info@lsvtglobal.com with any questions or visit www.lsvtglobal.com and view the [Continuing Education Approvals quick link](#) at the bottom of the page.

LSVT Global, Inc. is an AOTA Approved Provider of continuing education for live, online and blended/hybrid learning formats. This course is offered for 1.325 AOTA CEUs (Intermediate level; Domain of OT, Service Delivery). The assignment of AOTA CEUs does not imply endorsement of specific course content, products, or clinical procedures by AOTA.

Learning Outcomes

Upon conclusion of this course, participants (physiotherapy and Occupational Therapy Professionals and Students) will be able to:

- Describe three paradigm shifts unique to LSVT BIG treatment.
- Provide rationale for using a single target of amplitude when working with patients with Parkinson's disease.
- Correctly identify at least three key principles used in LSVT BIG that drive activity dependent neuroplasticity.
- Discuss efficacy findings that support use of LSVT BIG for persons with Parkinson's disease.
- Provide the rationale for each of the Maximal Daily Exercises.
- Describe the correct performance techniques of the LSVT Maximal Daily Exercises.
- Given patient scenarios of patients with Parkinson's disease with various levels of function, describe how to adapt or progress LSVT BIG treatment.
- Correctly list 5/5 teaching techniques unique to LSVT protocols.
- Differentiate between Functional Component Tasks, Hierarchy Tasks, and Carryover tasks.
- Identify the purposes of Functional Component Tasks, Hierarchy Tasks, and Carryover Tasks.
- Provide an example of calibration in LSVT BIG.
- Synthesize data from patient interview, examination, stimulability tests and results of standardized tests to determine if the patient will benefit from LSVT BIG treatment.

LSVT BIG Course Faculty

A team of two to three faculty will present each course. The LSVT BIG faculty collectively have over 200 years of experience as physiotherapy or occupational therapists and trained over 25,000 physiotherapy and occupational therapists globally.

Patricia S Brown PT, DPT, NCS

Dr. Brown has been a board-certified PT Clinical Specialist in Neurology since 1999 and LSVT BIG Certified since 2009. She is a graduate of the Parkinson Foundation's Allied Team Training (ATTP) program. She is a highly experienced physical therapist and is now a Clinical Assistant Professor in the PT Program at Chapman University in California. She is also an instructor and steering committee member at a local non-profit gym for persons with Parkinson disease (PD).

Heather Cianci, PT, MS, GCS

Ms. Cianci received her PT Clinical Specialist Certification in Geriatrics in 1999 and her LSVT BIG Certification in 2007. She is the Geriatric Team Leader at the Dan Aaron Parkinson's Rehab Center in Philadelphia. She is a 2004 graduate of ATTP and joined as ATTP faculty in 2017. Ms. Cianci has written and lectured for several national PD organizations, on-line CEU providers, and PT programs at Philadelphia area universities. She is also a former board member for CurePSP.

Cynthia Fox Ph.D., CCC-SLP

Dr. Fox is an expert on rehabilitation and neuroplasticity and the role of exercise in the improvement of function consequent to neural injury and disease. She is a world leader in administration of LSVT LOUD speech treatment and conducted much of the efficacy research in PD and other disorders, in addition to pioneering application to pediatrics populations. Dr. Fox worked on the development of LSVT BIG and also serves as faculty for LSVT LOUD and LSVT BIG Training and Certification courses. She has numerous publications in these areas of research and has presented extensively nationally and internationally. Dr. Fox is a Co-Founder and CEO of LSVT Global, Inc. and a Research Associate at the National Center for Voice and Speech in Denver, CO.

Thomas Gangemi, PT, DPT, MBA

Dr. Gangemi has vast experience in variety of settings, including two practices he founded: an outpatient clinic specializing in movement disorders and his current house calls group practice in Delaware, First State Rehab At Home. He has been LSVT BIG certified since 2009. Dr. Gangemi speaks locally on Parkinson's Disease and serves as a consultant to provider groups in areas of rehabilitation clinical program development.

Laura Gusé, BSPT, MPT

Ms. Gusé has extensive experience treating people with neurodegenerative disorders in both outpatient and inpatient settings. She was certified in LSVT BIG in 2009. She now serves as the Chief Clinical Officer of LSVT BIG. In that role Ms. Guse' oversees the training, curriculum and product development related to LSVT BIG, and has helped to create many of the current LSVT BIG treatment tools, webinars, and courses. She has spoken at many national and international conferences on topics related to LSVT BIG.

Tamara Hefferon PT, DPT, CSCS, OCS

Dr. Hefferon has been certified in LSVT BIG since 2009 and received her Orthopedic Clinical Specialist Certification in 2017. She is an Assistant Professor and Orthopedic Specialist at Franklin Pierce University. She also co-owns a cash-based practice called Impact Physical Therapy in Phoenix. She has a passion for treating persons with Parkinson disease with emphasis on early onset and young onset patients.

Bernadette Kosir OTR/L, CAPS

Ms. Kosir has over 30 years of OT experience, specializing in home health clinical leadership, quality process development, and innovative clinical education. Ms. Kosir has been LSVT BIG Certified since 2008. She is a certified trainer in Integrated Care Management for coordinated care of patients with chronic diseases including Parkinson disease, and is an NAHB Certified Aging in Place Specialist. As Senior Therapy Director at a large home health organization, she managed over 150 LSVT BIG and LSVT LOUD certified field clinicians and participated in community outreach efforts, particularly those addressing continuum of care needs for persons with Parkinson's disease.

Kathleen Salik PT, DPT, NCS, MSCS, CCCE

Dr. Salik is a board-certified PT Clinical Specialist in Neurology and is also a Multiple Sclerosis Certified Specialist. Ms. Salik has advanced training in Vestibular Rehabilitation and has been LSVT BIG certified since 2010. Her clinical experience has focused on neurological rehabilitation for adults with PD, MS, stroke and vestibular impairments. She is the Clinical Coordinator for Education for Banner Thunderbird Outpatient Rehabilitation Services in Glendale, AZ.

Jennifer Tuccitto, MPT, GCS

Ms. Tuccitto has been certified in LSVT BIG since 2009. She has extensive experience treating a wide variety of clients with neurological diagnoses at Courage Kenny Rehabilitation Institute/Allina in Minnesota. She has assisted with the development of many LSVT BIG treatment tools including the LSVT BIG Homework Helper videos, BIG for LIFE training and webinars and serves as an LSVT BIG Clinical Expert. She has speaking at local and national conferences and is actively involved with local PD support groups.

Erica Vitek MOT, OTR, BCB-PMD, PRPC

Ms. Vitek has been certified in LSVT BIG since 2009 and is a graduate of ATTP. She is Board Certified in Biofeedback for Pelvic Muscle Dysfunction and is a Certified Pelvic Rehabilitation Practitioner, allowing her to address bladder, bowel and sexual dysfunction in her patients with PD. Ms. Vitek is faculty with Herman & Wallace Pelvic Rehabilitation Institute. She regularly presents and authors articles for the Wisconsin Parkinson Association. She is employed by Aurora Sinai Medical Center in Milwaukee, WI, where she is the LSVT program lead and runs LSVT BIG and LSVT LOUD skills classes for LSVT graduates.

Julia Wood, MOT, OTR/L

Ms. Wood was certified in LSVT BIG in 2013, is an ATTP graduate and faculty and is a certified facilitator for PD SELF. She also serves as an ambassador for the Davis Phinney Foundation. Ms. Wood specializes in treating people with movement disorders at the Dan Aaron Parkinson's Rehabilitation Center in Philadelphia. She also serves in interdisciplinary clinics for patients with atypical Parkinsonism, Huntington's disease, ALS and those considering Deep Brain Stimulation.

LSVT BIG[®] Virtual Live Course Agenda

Pre-requisites – Complete by October 22, 2020

Sign Clinician Practice Agreement (emailed to each registrant)

Pre-recorded Learning in LearnUpon - Complete by October 29, 2020

(3 hours instructional time)

Pre-knowledge assessment (40 questions)

Module 1: Introduction (15 minutes)

Module 2: Background of LSVT and Paradigm Shifts (54 minutes)

Module 3: Overview of Parkinson disease (32 minutes)

Module 4: Video demo of LSVT BIG treatment (46 minutes)

Module 5: LSVT Data (33 minutes)

Knowledge Review Questions Modules 1-5 in LearnUpon

Virtual Live Day 1: October 30, 2020; 12:00 - 5:00 PM CET

(4 hours 40 minutes instructional time)

Access all modules through your LearnUpon account. Virtual Live sessions will use the Zoom platform. All times listed in Central European Time Zone (CET).

Module 6: 12:00 - 1:30 PM (90 minutes)

Intro to LSVT BIG Methods; Maximal Daily Exercises; Adaptations/Progressions of Maximal Daily Exercises

Break: 1:30 – 1:40 PM (10 minutes)

Module 7: 1:40 – 2:55 PM (75 minutes)

Interactive exercise practice session of Maximal Daily Exercises and Seated Adaptations. Live demonstrations, large group practice and partner practice.

Break: 2:55 - 3:05 PM (10 minutes)

Module 8: 3:05 – 5:00 PM (115 minutes)

Functional Component Tasks and Hierarchy Tasks with demonstrations and interactive small group practice

OPTIONAL: 5:00 – 5:30 PM (30 minutes)

Supplemental Group Exercise Practice Session

Knowledge review questions Modules 6-8 in LearnUpon

Virtual Live Day 2: October 31, 2020 12:00 - 5:00 PM CET

(4 hours 40 minutes instructional time)

Access all modules through your LearnUpon. account. Virtual Live sessions will use the Zoom platform. All times listed in Central European Time Zone.

Module 9: 12:00 - 1:15 PM (75 minutes)

BIG walking; Freezing Phenomena; Teaching Techniques; Summary

Break: 1:15 – 1:25 PM (10 minutes)

Module 10: 1:25 - 2:10 PM (45 minutes)

Calibration

Module 11: 2:10 - 3:20 PM (70 minutes)

Follow-up Recommendations, Quantification, Interdisciplinary Care, and Prepare for Interactive Session

Break: 3:20 – 3:30 PM (10 minutes)

Module 12: 3:30 - 5:00 PM (90 minutes)

Interactive practice session with PD volunteers in small groups

OPTIONAL Q & A Zoom Session with LSVT BIG Faculty: 5:00 – 5:30 PM

Knowledge Review Questions Modules 9-12 in LearnUpon

Pre-recorded Learning in LearnUpon - Complete by November 8, 2020

(One hour of instruction time including Final Exam)

Module 13: Clinical Implementation (40 minutes)

Final Exam: 40 multiple choice questions; 85% required to pass
(20 minutes average completion time)

Course evaluation and Certification Directory Form

Total Instructional Time: 13 hours, 20 minutes (1.325 CEUs)

****All elements of the course must be completed
no later than November 8, 2020.***

LSVT BIG Trademarks and Certification

The LSVT® trademark and other logos appearing within the LSVT Global website and on its literature are registered and unregistered trademarks of LSVT Global, Inc. Only individuals directly certified by LSVT Global, Inc. and who have attended an LSVT BIG Training and Certification Course with specific training in the LSVT BIG modalities of treatment for individuals with movement disorders related to Parkinson's disease and other neurological disorders or conditions are entitled to use the LSVT trademarks. An individual who has attended a Course and has received a certificate of LSVT BIG training will be able to use the LSVT trademark to refer to themselves as an "LSVT BIG trained clinician", so long as they retain active clinician status. Any non-sanctioned use is strictly prohibited.

LSVT BIG Certified Clinicians will be able to:

- Use the LSVT trademark to indicate they are an LSVT trained and certified clinician
- Use the efficacy data of LSVT BIG to market and support reimbursement of the LSVT BIG program
- Enroll in the database of LSVT trained clinicians for patient and physician referrals
- Attend future LSVT BIG Training and Certification Courses for reduced fees

LSVT Certification Renewal

LSVT Certification requires renewal every two years to maintain active clinician status.

The process of the LSVT Certification renewal involves the following steps:

- Complete the Online LSVT renewal course (1-2 hours) for a fee of \$50
- Provide updated contact information for patient referrals

Note: Reattending a live or online LSVT Training and Certification Course is another option for renewal for clinicians seeking a more in-depth update (\$200 for entire course)

LSVT BIG Faculty Disclosure

All of the LSVT Global faculty have both financial and non-financial relationships with LSVT Global, Inc. Non-financial relationships include a preference for the LSVT BIG as a treatment technique, which will be discussed as a part of this course. The purpose of this course is solely to educate attendees on the topic and not promote the business/product in any way.

- Dr. Fox receives lecture honorarium and travel reimbursement from, and has ownership interest in LSVT Global, Inc.
- Ms. Gusè, Ms. Tuccitto and Dr. Gangemi are employees of, receive lecture honorarium and travel reimbursement from LSVT Global, Inc.
- All LSVT BIG Faculty receive consulting fees, lecture honorarium and travel reimbursement from LSVT Global, Inc.

LSVT BIG® Virtual Live Registration Form

Friday October 30, 2020 - Saturday, October 31, 2020

Policies and Fees

Participant Attendance Policy: Individual participation at the entire virtual live course is **MANDATORY**. Certification and CEU credit will not be awarded unless all portions of the training are fully completed and participants will not be eligible for a refund of any costs incurred.

Participant Cancellation Policies: Courses purchased in error (for example the incorrect course or quantity) will be fully refunded as soon as LSVT Global, Inc. has been notified and as long as the notification occurs prior to shipping the related course materials. Online and Virtual Live courses are NOT refundable once the course has been accessed. If a purchaser wishes to cancel the course order after the related course materials are shipped, he/she must notify LSVT Global immediately. The course materials must be returned within 30 days before any refund is processed. A full refund of the course fee minus a \$50 cancellation fee will be processed as long as the materials have not been used and are in their original condition. Return shipping of course materials will be at the purchaser's expense. LSVT Global, Inc. will not be liable for any claims of non-receipt of materials or products returned to LSVT Global, Inc. In order to obtain a refund or exchange, the purchaser must provide a correct e-mail address, mailing address, phone and credit card information.

LSVT Global Cancellation Policy: LSVT Global reserves the right to cancel a Virtual Live LSVT BIG Training and Certification Course in the rare case of inadequate attendance or for other reasons, but will inform all registered participants via email, mail, or phone as soon as the cancellation is confirmed.

LSVT Global will refund any registered participants their full registration fee or offer them alternative Virtual Live course dates if available or transfer to the Online LSVT BIG Training and Certification course.
