Panelist Biographies

Lindsey Butkus, MS, OTRL, LSVT Big Certified, HMOTA member Owner Move Fullest, LLC

Lindsey has been an Occupational Therapist since 2010, educated at University of Michigan (BA Psychology) and Western Michigan University (MS OT), and has been certified in LSVT Big since 2017. She is a former officer in the Air National Guard and believes in servant leadership. Clinically, she has practiced in a variety of settings including Inpatient Rehabilitation, Inpatient Acute care, Outpatient and Day Rehabilitation. Non-clinically she has authored continuing education for online and in-person learning on topics including Strokes and Amputations. Moving with her family leant her to her latest endeavor of starting her own mobile private practice in greater Cincinnati Ohio, where she has successfully evaluated and treated older adults who are living with progressive conditions. She has utilized LSVT Big in both traditional and non-traditional settings all with great outcomes. Lindsey has pursued additional training and support for the Parkinson's community and volunteers at a local Rock Steady affiliate gym.

Tamara Hefferon, PT, DPT, CSCS, OCS

Dr. Hefferon received her Bachelor of Science in Physical Therapy from the University of Arizona and her Doctorate in Physical Therapy from A.T. Still University. She has been certified in LSVT BIG® since 2009, and received her Orthopedic Clinical Specialist Certification in 2017. Dr. Hefferon is an Assistant Professor and Orthopedic Specialist at Franklin Pierce University. She also owns her own cash based practice with her husband called Impact Physical Therapy. She has a passion for treating persons with Parkinson disease with emphasis on early onset and young onset patients.

Panelist Biographies

Sherri K Zelazny, MA, RSLP, CCC-SLP
Registered Speech-Language Pathologist
Surrey Voice Clinic Owner/Director
Website: www.surreyvoiceclinic.com
Email: sherri@surreyvoiceclinic.com

Sherri is a Registered Speech-Language Pathologist and ASHA Certified Clinician in Surrey British Columbia with more than 30 years of experience. She received her undergraduate degree from Ithaca College, Ithaca NY and her graduate degree from New York University, New York, NY.

Sherri began her career as a general speech pathologist in Laconia, NH where she worked for 15 years. She went on to pursue advanced clinical expertise in voice and laryngeal airway management at the University of Wisconsin-Madison Voice and Swallow Clinics. She has presented nationally on a variety of voice and laryngeal airway topics. Sherri moved with her family to Surrey British Columbia in 2011 where she established the Surrey Voice Clinic.

Her areas of special interest include voice evaluation and treatment, paradoxical vocal fold motion, voice therapy for Parkinson Disease, Gender Affirming Voice Training, and community education. Sherri holds the College of Speech and Hearing Health Professionals BC Advanced Competency for Flexible Endoscopic Evaluation of Voice and Swallowing and has been an LSVT® Certified Clinician for more than 20 years.

Sherri has been an honorary board member of the Wisconsin APDA since 2011 and a member of the Board of Directors of Parkinson Society British Columbia (PSBC) since 2012. Sherri was the recipient of the PSBC Above and Beyond Volunteer Recognition Award in May 2018 and the University of Wisconsin Hospital and Clinics Community Service Award for her work with the Wisconsin Chapter of the APDA in 2011. Sherri is Past President of Speech and Hearing BC.

- Continuing Education Units (CEUs)

6

Information to Self-Report CE Activity

- This LSVT Global webinar is NOT ASHA or state registered for CEUs for speech, physical and occupational therapy professionals, but it may be used for self-reported CEU credit as a non-registered/non-preapproved CEU activity.
- If you are a speech, physical or occupational therapy professional and would like to self-report your activity, e-mail webinars@lsvtglobal.com to request a certificate after completion of the webinar which will include your name, date and duration of the webinar.
- Licensing requirements for CEUs differ by state. Check with your state PT, OT or Speech licensing board to determine if your state accepts non-ASHA registered or non pre-approved CEU activities.
- Attendance for the full hour is required to earn a certificate.

7

Learning Objectives

Upon conclusion of this webinar, participants will be able to:

1. Define cash-based practice, mobile practice and tele-practice and how they differ from traditional service delivery models for speech, physical and occupational therapy.
2. Summarize how LSVT LOUD and LSVT BIG can be offered in cash-based practices, mobile practices and via tele-practice.
3. List key benefits to clients and providers for each of these service delivery models.
4. Paraphrase unique considerations and challenges related to each of these service delivery models.
